## 76' BERRETTA SERIES

### PILOTHOUSE MOTORYACHT WITH COCKPIT

DURAND  
MARIE

 **QUEENSHIP**

*Builders of Fine Custom and Semi-Custom Yachts*

Featuring an open main deck plan with a galley that can be separated through powered shoji screening from the main salon, and generous aft deck seating. Below are three state-rooms with private heads featuring a full width master. The interior throughout, including the aft crew accommodation is beautifully and extensively finished in hand selected quarter sawn Cherry done in a multi-coated high gloss finish. To maximize strength and reduce weight, construction techniques and materials such as countertop construction from thin specialty granite, laminated upon honeycombed aluminum backing is utilized throughout.
